

“FIRST FRIDAY” FREE TELEWORKING DAY At Satellite Telework Centers

Join us on Friday, December 4 for a **free** teleworking day at The Satellite. You bring the laptop and we'll provide the T1-based WiFi, all the coffee you can drink (we buy it from the White Raven) and a comfortable space for you to spread out, get some work done and meet some interesting people.

Our cubicles and café space will be available on a first-come, first served basis (some of them are reserved for our members) and we'll be open from 8 a.m. to 5 p.m.

We're within easy walking distance of coffee (the White Raven is three doors down), food (Redwood Pizza, Taqueria Vallarta and the phenomenal deli at New Leaf) and for those who want to do some after work brainstorming, Don Quixote's is right next door.

Did we mention it's **free**?

If you have any questions or would like more information, visit us online at <http://www.thesatelliteinc.com> or call 831-222-2100.
